Hello St. James and St. Mark's Church Family and Friends!

When I was in high school - a treasured outing was getting into the car with friends and driving to the Sheboygan Drive In Movie Theater. The Stardusk Drive-In opened in 1949, was torn down in 1984 and was the host of many family and friends' outings.

While I can't remember the movies I saw there, I do remember the camaraderie, the laughter, the fun and excitement and a sense of belonging to something much bigger than my rural upbringing of just a few miles down the road from the Parnell Tower.

For the last 8-weeks, with a couple of exceptions, we have held Joint Drive-In Services alternating between St. James and St. Mark's. Each of those Sunday mornings I have felt so thankful that God had blessed us with sunshine and blue skies. I would look across the parking lots and see expectant, smiling faces looking back. I would walk among the cars and trucks, convertibles, jeeps, corvettes and classics alike and talk for a few minutes with as many of the people as I could.

Always, I was greeted with a smile. Occasionally, I was offered a snack! One morning I was greeted by Graham – a furry faced, friendly little dog! I talked with the "Young At Heart" children of our congregation. They were always eager to tell me what they had been doing this summer.

And our worship time, outdoors ~ amid the bird calls and sunshine ~ wind blowing and accompanying noises of people around us made me think that this must be, in some way, what the people of Jesus' time experienced when Jesus was teaching and preaching. Much of Jesus' time with the people was on the shore of Galilee, on the side of a hill, in the outer courtyard of a temple, on top of a mountain...

Pastor's message, continued from page 1.....

They did not spend their time in a well enclosed, multi-seated, air-conditioned, microphoned, organed building like we have grown accustomed to. Don't get me wrong; there is nothing wrong with our beautiful churches. Quite the contrary. But, our encounter with Jesus can take place anywhere. And especially anywhere we are gathering in prayer; seeking answers; desiring to know God more deeply. And we have been blessed by the presence of the Holy Spirit around and within us as we continue to do just this together, in the parking lots of St. James and St. Mark's.

Our success with outdoor services and broadcasting (shortrange) on an FM station during the service, has led three other churches to contact us to learn from us. It is grand to know that we are helping other churches to find ways to gather in worship during these difficult times.

In our July newsletter I said that your leadership team was in a holding pattern with worship services. We are having regular, and sometimes weekly, discussions trying to determine the best and reasonable way forward. We recognize the strong desire to gather back in-person on Sunday mornings. And, too we recognize the strong desire to do our responsible best to keep our church members safe.

In early August both Consistory teams will be meeting to further discuss how we are called to move forward in worship as well as planning for Sunday School and Confirmation for 2020-21.

I am always encouraged by your prayers, your assurance and steadfast faith in Jesus, even and especially when times are challenging.

Please contact me directly if you would like to pray together; talk about our situation; or have a sidewalk or driveway visit with masks. You, this church and community are in my prayers.

Pastor Patrick

Are you and your children looking to connect to church in a different way this summer? We have just the answer for you! Come and get one of our Church-To-Go boxes. It's filled with games, trip talks, prayers ~ such as the Skittles/Starburst prayers! Many of the games are laminated so they can be played over and over. Each Church-To-Go box has a Flat Jesus for you to color, cut out, take with you on trips, and snap pictures of him.

Then email those pictures with a caption of where you are to flatjesusstmstjucc@gmail.com. We have Church-To-Go boxes at both St. James and St. Mark's. Come pick yours up. Or call to have one delivered to your home.

Wayne Vogel

Wayne Clarence Vogel, age 80, died peacefully surrounded by his family on Friday, July 3, 2020 at Sharon S. Richardson Community Hospice in Sheboygan Falls.

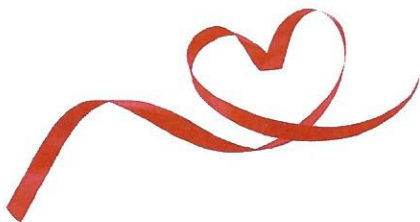

Wayne, son of the late Laverel and Norma (Lutze) Vogel, was born December 6, 1939. He attended Red Arrow Elementary School in Hika and graduated in 1958 from Central High School in Sheboygan. After high school, he attended a short business course in Minnesota. On February 11, 1957, he enlisted in the Army National Guard, Manitowoc Company B First Battalion 127 Infantry. After serving 7 years, Wayne received an honorable discharge.

On September 14, 1963, he married Mary Ann Stoeckigt at St. James UCC in Spring Valley. They were blessed with two children, Tammy & Rick.

Wayne worked in the Foundry at Kohler Company for 42 years, retiring in 2001. Wayne, a lifelong resident of Cleveland, lived his entire life on Elm Street in three different family-built homes. He was a member of St. John - St. Peter Evangelical Lutheran Church, where he was baptized and confirmed. He served a term as secretary and trustee. Wayne was a volunteer member of the Cleveland Fire Department for 28 years. Wayne had a passion for baseball as a player, coach, and umpire. In 2012, he was inducted into the Cleveland Athletic Hall of Fame. Wayne was an avid Wisconsin sports fan who rarely missed watching or listening to a Badgers, Brewers, or Packers game. He enjoyed deer hunting, fishing, bowling, golfing, puzzles and playing cards, especially Sheepshead. Wayne and Mary Ann enjoyed spending summer days at the "Vogel" cottage on Little Sturgeon in Door County with family and friends.

Wayne was fun-loving and full of life. His sense of humor, wide grin, and laugh are treasured memories. He was a loving husband, father and was the best Papa to his granddaughters. In December of 2006, Wayne experienced some major health issues which forever changed his lifestyle. Through hard work and therapy, he kept his sense of humor and focused on the things he could still do. His acceptance was an inspiration of great strength and courage. He was blessed with Mary Ann at his side along with a great family and circle of friends.

Survivors include his wife of 57 years, Mary Ann Vogel, two children, Tammy (Steven) Serketich of Sheboygan and Rick (Susan) Vogel of Milwaukee. He was lovingly called Papa by his granddaughters, Abigail (Reid) Roethel, Natalie Serketich (fiance Eric Lodes), Julia and April Vogel, and great-granddaughter Eleanor Roethel. He is further survived by his sister Grace Jaeger; sisters-in-law Geraldine Scheffler, Ruth Stoeckigt, Jean Stoeckigt; and brother-in-law Gary (Karen) Stoeckigt. He was Uncle Wayne to many nieces & nephews.

"Thank You" to my church family and friends for your expression of sympathy on the death of my husband, Wayne Vogel. Our family deeply and sincerely appreciates your thoughts, prayers and compassion.

Mary Ann

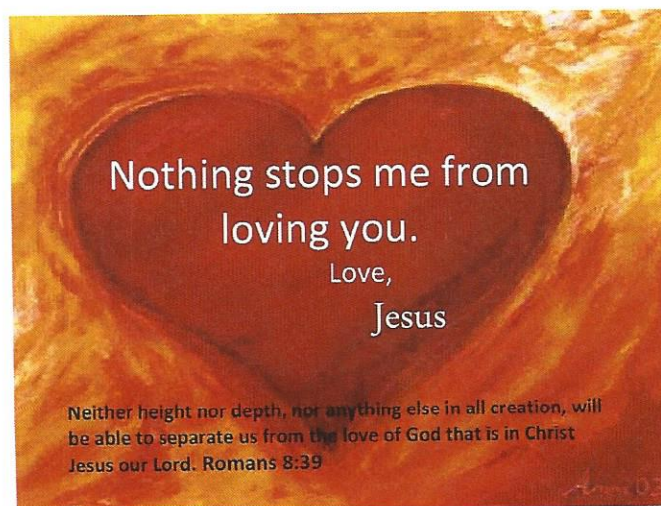

Our most sincere sympathy goes to the family of Vera Woepse on her passing. Vera was a lifelong member of St. Mark's UCC. Her smiling face will be missed ❤️

Vera L. Woepse, formerly of Howards Grove, passed away Sunday morning, July 12, 2020 at Pine Haven Christian Home, her home of the last 6 years. She was 92 years old.

Vera was born March 19, 1928 in the Town of Herman, daughter of Gordon and Viola (nee Sixel) Horneck. She graduated from Howards Grove High School. On July 20, 1946, she was united in marriage with Edward G. Woepse at St. Mark's UCC in the town of Mosel. He preceded her in death in 2007. Together, the couple farmed in the Town of Mosel from 1947-1966. Later, Vera went on to work as a secretary at Northview Elementary School in the Howards Grove School District.

Vera was a member of St. Mark's United Church of Christ in Cleveland, where she sang in the choir. She was an active bowler and golfer for many years. She loved gardening, canning and was an excellent cook and baker. She and Edward enjoyed traveling and spending the winter months in Arizona. Above all, she loved spending time with her family.

or let a consistory member know of any address, phone number, and/or e-mail changes.

All church communications that are sent out 'in bulk' are being sent via Mail Chimp.

Notice that there is an option to subscribe/unsubscribe on each message. This means you are able to forward the email (newsletter/Sunday Morning message, etc.) to someone else and they can subscribe on their own.

It also means that you have the option of 'unsubscribing' if you no longer want to receive church communications.

Be aware that right now Mail Chimp is set up such that if you unsubscribe, you are unsubscribed to everything and will NOT receive any further church communications.

If you accidentally unsubscribe, send me a message and I can add you to the list again. I will only re-add you by your request.

Manitowoc County Drug Disposal Program Update

The Kiel Police Department has installed a drug drop box in the lobby located at 619 Paine Street, Kiel. This new drug drop box was installed to help make drug disposal more convenient for residents and more efficient for law enforcement. The new drop box is available Monday through Friday between 7:30am and 3pm. When using this drop box or any other drop box or disposal event in Manitowoc County, make sure to follow the directions listed below.

There are two reasons for the collection and proper disposal of medications. First, removing these drugs from your house can reduce the likelihood of family or guests using the prescriptions in a way that leads to addiction, continued use of illicit drugs, and accidental poisoning or overdoses. Second, these drugs should not be placed in the trash or flushed down the toilet since they cannot be removed by landfills, sewage treatment plants, or septic systems and are released into our water supplies.

Since 2006, Manitowoc County has offered annual programs for medication disposal. What started out as a one-day collection event in 2006 has now grown into five permanent drug drop boxes. Thanks to the efforts of program supporters and participating residents, approximately 17,385 pounds of pills, patches, powders, and liquids were collected since it started (not including the packaging).

This program is supported through the Manitowoc County Drug Disposal Collaborative, which includes Manitowoc County Sheriff's Office - Metro Drug Unit, Manitowoc County Public Works Department - Recycling Center, Kiel Police Department, Manitowoc County Aging and Disability Resource Center, Manitowoc County Public Health Department, Northeastern Wisconsin Area Health Education Center, Manitowoc City Police Department, and the Two Rivers Police Department.

For questions or more info call 683-4333 or visit the Drug Disposal section at www.manitowocrecycles.org.
