~Pastor Patrick

St. James and St. Mark's are two of the nearly 1,590 UCC churches that fully support Our Church's Wider Mission, sharing that goes beyond our own church doors.

We give to OCWM and all of the four special mission offerings throughout the year.

OCWM BASIC SUPPORT provides funding from congregations for Conference and the national ministries of the United Church of Christ (Wider Church Ministries, Local Church Ministries, Justice and Witness Ministries, General Ministries, and Pension Boards).

UCC SPECIAL MISSION OFFERINGS

Part of OCWM, these four offerings sponsor vital ministries that bring hope to people in the U.S. and around the world.

Neighbors in Need

First Sunday in October

Neighbors in Need (NIN) is a special mission offering of the United Church of Christ that supports ministries of justice and compassion throughout the United States. One-third of NIN funds support the Council for American Indian Ministry (CAIM). Two-thirds of this offering is used by the UCC's Justice and Witness Ministries (JWM) to support a variety of justice initiatives, advocacy efforts, and direct service projects through grants.

One Great Hour of Sharing

Fourth Sunday of Lent

The United Church of Christ responds to humanitarian and development needs in the world. Gifts to One Great Hour of Sharing® carries God's message of love and hope to people in crisis. Through our work with local churches, conferences, international partners and organizations, One Great Hour of Sharing provides sources of clean water, food, education, health care, small business micro-credit loans, advocacy, resettlement for refugees and displaced persons, emergency relief and rehabilitation as well as disaster preparedness and response.

The Christmas Fund

Fourth Sunday of Advent

The Christmas Fund for the Veterans of the Cross and the Emergency Fund is a Special Mission Offering that congregations have been supporting for over 100 years. The offering is administered through the United Church Board for Ministerial Assistance, the charitable arm of the Pension Boards. Funds provide direct financial support to those who serve the church and are facing financial difficulties.

Strengthen the Church

Pentecost

The Strengthen the Church (STC) Offering reflects the shared commitment of people across the United Church of Christ to cooperatively build up the UCC. Conferences and the national setting equally share the gifts given by members and friends through their local congregations. The funds raised support leadership development, new churches, youth ministry, and innovation in existing congregations. By your generosity to this offering, you build up the Body of Christ.

"As the sands of the hourglass, so are the days of our lives"

I have been trying to recall why this summer has flown by so quickly. Some tell me it's part of getting older. The older you get the faster time goes. And this may be so. But I think, for me, it is because this summer has been chock full of activities.

I have heard it said (and it must be ironically, sarcastically, or humorously)

that in the summer, churches slow down. That has never been my experience. This summer alone, there was our Northeast District Conference in April (a bit early for summer!) and our Annual Conference in June. One held at Daycholla and the other at the Green Lake Conference center. Then mission trip planning and the trip itself mid-July. Followed by planning for Vacation Bible School in mid-August, which unfortunately did not take place. And preparation for new church members being welcomed at St. Mark's on August 27th. Sprinkle in Youth Volleyball games, youth events, visitations, funerals, baptisms and/or weddings... plus the same amount of energy, time, research and study for Sunday services as is committed for the rest of the year and voila, the summer hasn't really slowed down for our church.

The reason this comes to mind is church ~ our time with God and one another, our ministry and mission, our need for worship as the body of Christ ~ doesn't have a slow period during the year. It's a year round endeavor. Our need to stay connected remains as strong in July or August as it does in November, December, March or April.

Stemming from my thoughts and prayers about this I'm wondering a few things:

Continued on the next page.....

1) We have set up some activities at both churches, e.g. a new basketball hoop and foosball table at St. Mark's. Ping pong tables at both St. James and St. Mark's. With these, and others planned, our kids can be active before or after church services, during youth group meetings, or during summer days when kids are off from school. Will this help encourage more kids to be part of our youth group?

The other day I was working in my office and I heard a basketball bouncing and then knocking against the backboard. This is just outside my office window. After a while I went outside to see who was playing. It was a neighbor man and his 11 year old boy. They use our parking lot for bike riding and now, basketball. I introduced myself and welcomed them. Next step - stop by and ask if their 11 year old would be a part of our Sunday School class this year.

2) Sunday morning church services seem difficult to attend during the summer. What if we had a briefer type service Wednesday or Friday or Saturday evening? Not to replace, but in addition to Sunday morning. Singing some of our favorite hymns and learning a few new ones. Spending time in prayer. A brief homily.... Would that be helpful in keeping us connected and active during those summer months?

3) I really want to hear your thoughts. What do you think?

I desire so strongly for our children, our youth, our young adults and older generations to find their fulfillment through the ministries, missions, worship services of St. James and St. Mark's. I pray for our churches, the people and our communities. Perhaps you can join me in prayer. I pray that the Holy Spirit will come, dwell among us, around us, and within us. May we fulfill God's plan for our churches in the time we have.

In Christ's love,

Pastor Patrick

St. Mark's/St. James Congregation,

We are beyond thankful for your contribution toward the 2023 Cleveland, OH Mission Trip. The amount of support we were given during our brat frys, Kwik Trip car wash cards, Seroogy candy bars, bake sale and extra monetary donations was an incredible blessing. Every time we did something new, both congregations showed up with open arms to support. Without support from people like you, funding trips like these are difficult.

The group this year was split into two mission teams. One team consisted of Anna Marie, Olivia, Owen, Sierra, Tara, Brooklyn, Michelle, Colton, Stacy and Hillary. This group assisted Ms. Mittie, who was passionate about creating opportunities for her community through Brookdale Orchards. Her goal for the orchard is to boost neighborhood morale, create a safe place for community members to come to, and create economic opportunity through employment openings. While helping Ms. Mittie and other community members, we did a variety of tasks like: pulling weeds, laying stone pathways, building a brick wall for the entrance, clearing dead trees, putting up wire fencing and painting Underground Railroad quilt patterns on picket fences.

The second team consisted of Brenda, Rebecca, Brianna, Patrick, Grace, Raymond and Kari. This team was also blended with another mission group where they worked alongside the homeowner to clean and create an outdoor space for her & her dog. After many long hours of prepping, we removed a couple trucks full of dirt, branches, bricks and weeds. In another area of her space, we also prepped and formed two areas for concrete slabs to be poured.

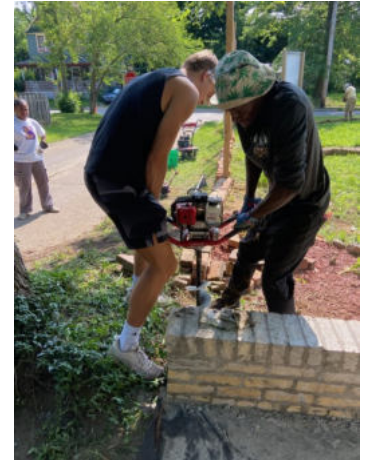

It is reassuring to know that God was moving within us all week and we can't wait to experience more of His goodness.

Thank you again for supporting our team.

If you are interested in attending next year with us, please contact Anna Marie Bramstedt @ jaab93000@tds.net or 920.698.7656 so we can keep you informed as the planning process begins.
